

Twin Valley Council
810 Madison Ave
Mankato, MN 56001

Boy Scouts of America

November 7, 2011

To: Scout Leaders

Enclosed is flyer for you to pass out to each family for our **Sleeping with the Dinosaurs 2012**. This was a huge event for the Council last year (over 600 participants) and this year we are offering two weekends to accommodate the anticipated response – everyone had a blast last year! Plus the Science Museum of Minnesota celebrates its 26th Camp-In Season and as always lots of great fun is in store for us!

Like last year, we ask that you as leaders take reservations/payments from individual families and send the Council the registration form (see attached) and a unit check(s) for the appropriate event date. This means that you may end up sending two checks. One for the event on January 21nd – 22rd and another check with registration form for event dates of February 25th – February 26th, 2012.

We will only accept Pack, Troop, Crew, or Post checks and unit reservation forms for this event (NO INDIVIDUAL RESERVATIONS or INDIVIDUAL PERSONAL CHECKS – thanks).

If you have a question please contact your District Executive or myself. Hope to see you at 2012 Sleeping with the Dinosaurs!

Sincerely,

Rene' Maes Jr.
