

Watch your mail for a Twin Valley Council Cub Camp flyer. Registration forms will be mailed to each registered Scout in early April and will also be available at [www.twinvalleybsa.org](http://www.twinvalleybsa.org)

# Space!

The Space Shuttle is being retired, and we haven't been to the moon for a long time, but that doesn't mean that the USA has no space program! NASA has many active programs – watching for asteroids, Mars exploration, Mission to Saturn, and more! Come to our 2011 camps and put your own space skills to test!

## Cub Scout Day Camps

Can you name the planets above?

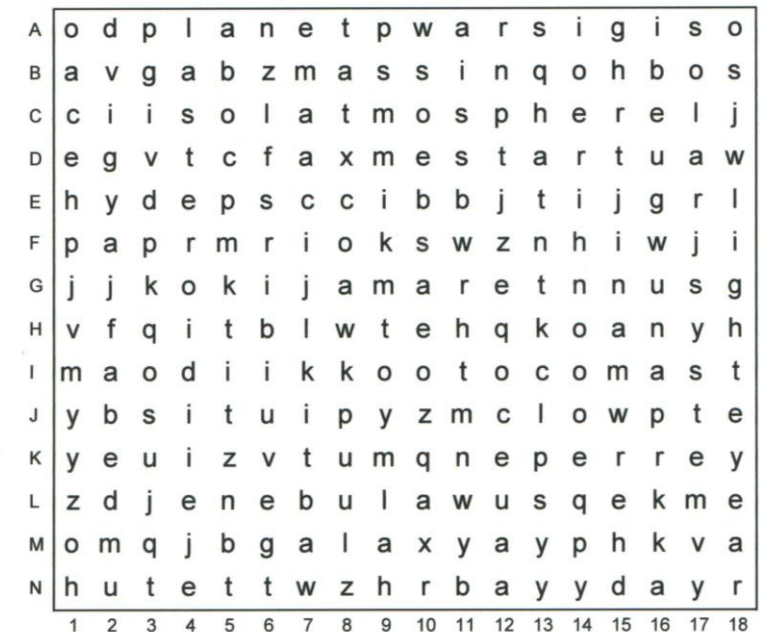

1 - Saturn 2 - Earth 3 - Jupiter

Of the 312 pilots and scientists selected as astronauts since 1959, at least 207 have been identified as having been Scouts or active in Scouting. The list includes 39 Eagle Scouts, 25 Life Scouts, 14 Star Scouts, 26 First Class Scouts, 17 Second Class Scouts, 13 Tenderfoot Scouts, 3 Explorers, 25 Cub Scouts, 10 Webelos Scouts, 1 King's Scout, 2 Wolf Scouts, and 32 with unknown ranks, including 27 who were Girl Scouts.

Of the 27 men to travel to the moon on the Apollo 9 through Apollo 17 missions, 24 were Scouts, including 11 of the 12 men who physically walked on the moon's surface, and all three members of the crew of Apollo 13.

All three of the astronauts who died in the Apollo 1 fire, four of the seven who died in the Challenger launch explosion, and five of the seven who died in the Columbia re-entry explosion were Scouts.
