April COC

April 20th at Camp Ripley, there will be a walkthrough of the facilities there.

Callout Ceremonies will be the responsibilities of the Chapters. There is a special default script set up. But try to learn the script beforehand so you're not having to rely on it. The script was passed out to the Chapters.

Additional script notes: Go clockwise during the pipe bit of the ceremony, and also remember to have the candidates form a smaller circle when you go and congratulate them. Also, don't forget to have a crew clean up afterward!

\$50 will be sent to each Chapter for cracker barrel expenses.

Troop 95 is looking into an alternate location for the Valentine's Day dance in case we are unable to hold it at the Mankato Armory.

Another fundraiser was also offered: we can sell paintings in a conjunction with the Speltz Studio of Wildlife. Details are on a piece of paper that was passed out to everyone.

More of this will be discussed at the next LEC.

Plaques will be made at DNS Awards down at Fairmont.

We want to make sure we go through a thorough process in selecting the recipients of the Founder's Award, the Ed Smock Award and the George Vaux awards. Forms for nominations for these awards and the Vigil Honor were handed out. Don't forget, adults AND youth can fill out each form if they wish.

Next LEC will be on Sunday April 6th, at the Center for Scouting in Mankato.
