Advisor's Minute- Steve talks about how we need to send many scouts to Section. We keep busy, yet we do what we can for the scouts and the OA. It takes many people to keep things going and it turns out well when we put forth effort together. Thanks for the efforts in getting Quality Lodge for 2009. We need to continue with out efforts and keep striving to serve others so that they will benefit from what Scouting is all about.

Closing with Song of Brotherhood.
