Arrowcorps 5

ArrowCorps5 is filling up fast, but you can still go if you're interested. It is a fantastic opportunity for OA members. Interested? Contact Erik Hasse or Mike Omtvedt. Check out the National Order of the Arrow web site at oa-bsa.org for more information.

The January LEC will be held at the Winter Conclave on January 5. The February LEC will be held at the Spam Museum in Austin, MN on Feb. 3, 2 PM. All OA members are encouraged to attend and have your voice heard.

Winter Conclave

Winter Conclave will be held January 5-6 at the Mankato Armory. All OA members are encouraged to come and have lots of fun together.

Activities planned include tournaments in basketball, floor hockey, and Guitar Hero. Other activities are regalia making, Alongemat training, movies, and visiting a radio station.

Our new **Wahekute Lodge** T-shirts will be available for the first time at the conclave. They are \$10, and they are really cool! They are a great new design by our own OA officers. Wear one and show your OA spirit!

Registration is 1-3 PM, along with a Trading Post. The Brotherhood Bash will be at 11:30 PM with pizza and music.

Need regalia? Come to the Winter Conclave!! We'll have people and equipment there to help you make some. Information on what materials to bring are available on the council website in the OA section. You need to purchase the material and items before you come to the Winter Conclave.

Early registration is \$20, and must be in to the Council Office on or before Dec. 15. Registration after that or at the door is \$25. Registration form is on the other side of this sheet. Questions? Call Steve Knuth at 507.525.3149
