

Boy Scout Outdoor Leadership Skills Training

Introduction to Outdoor Leader Skills

Oct 15, 2011 8:30 AM – 4:00 PM

Norseland Scout Camp (west of St. Peter, MN on Hwy. 22)

This hands-on program gives adult leaders the practical outdoor skills they need to lead Scouts in the out-of-doors. Imagine having hands-on knowledge setting up a campsite, pitching a tent, hiking, outdoor cooking — all the skills necessary to see the outdoor program of the Boy Scouts of America come to life.

This new training course is designed for new adult leaders to learn the outdoor skills they need to teach Scouts through the First Class rank and will be required for all Scouters planning on attending the new Wood Badge course. Instructors will help you learn how to set up camp, cook, work with woods tool and ropes, first aid, planning campfire programs, map reading and compass skills, hiking and packing techniques, nature identification, and Leave No Trace. Each outdoor session will bring to life the pages of the Boy Scout Handbook to help deliver the promise of Scouting to yourself and the youth you serve. It will increase your comfort level and give you confidence as a trained leader. The program will also give you the opportunity to work with other Scout leaders from your area, meet new friends, and reinforce skill techniques with fellow unit leaders.
