

Nature

- **Nature Merit Badge**
10:00 a.m. – 11:00 a.m. There is a very close connection between the soil, the plants, and all animal life, including people. Understanding this connection, and the impact we have upon it, is important to preserving the wilderness, as well as to our own well-being as members of the web of nature.
- **Reptile and Amphibian Study Merit Badge**
11:00 a.m. – 12:00 p.m. Learn about reptiles and amphibians. How are they the same, how are they different. This merit badge requires you to keep a reptile or amphibian as a pet for at least 30 days.
- **Forestry Merit Badge**
11:00 a.m. – 12:00 p.m. Scouts will explore the remarkable complexity of the forest and identify many species of trees, plants, and the roles they play in the forest's life. They will also discover some of the resources forests provide to humans and come to understand that people play a large part in sustaining the health of the forest.
